

During these trying times, the health and security of our clients as well as that of our staff remains our main priority.

This is why we will continue to offer our services with a reduced staff. Our open office hours will also be shortened. Please take notice of the upcoming changes:

Monday – Friday : 8h00am to 4 :30pm, EST

Please be aware that we are doing everything we can to maintain a fast and efficient service and we apologize for any inconveniences brought on by these necessary changes.

We sincerely thank you for your loyalty and comprehension.

Stay safe!
